

Teacher and Administrator Open House

The Mariners' Museum and NOAA are opening their doors to teachers, principals, and school administrators on April 24th from 6:00 pm - 8:00 pm. The education department will be showcasing the brand new, state of the art, *USS Monitor Center*. There will be special sessions for teachers, principals, and school administrators to learn about the vast educational resources the Mariners' Museum and NOAA have to offer. The event is free for all teachers, principals and school administrators. However, you must pre-register by calling Beth Kovach at 757-591-7751 or e-mailing bkovach@marinersmuseum.org

Summer Programs

The Mariners' Museum, in conjunction with NOAA, will be offering 2 summer programming sessions for families, especially benefiting teachers. Teachers will be able to earn certification points while learning and having fun with their children. The first session is July 16th -19th and will be focusing on the *USS Monitor*. The second session is July 30th – August 2nd and will be focusing on Sea Legends such as pirates, shipwrecks, sea creatures, and lighthouses. The courses will run from 9:30-12:00. Teachers and their families can sign up for single courses or for entire sessions. Call Beth Kovach at 757-591-7751 or email bkovach@marinersmuseum.org for more information.
